

Design Intent:

Basic Hexagonal shaped structure. This shelter pitch decreases as size gets larger to keep a low profile.

Standard With This Shelter:

Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

Primary Roof Options:

- Tongue-and-Groove
- Structural Insulated Panels
- Multi-Rib • Mega-Rib
- Standing Seam*

Secondary Roofing Options:

- Multi-Rib
- Standing Seam
- Mega-Rib
- Asphalt or Cedar Shingles

Shelter Modifications:

Shelter can be modified by adding a cupola, railing, integrated seating, ornamentation**, gutters, lightning protection, electrical cut-outs, low reveal clerestory, windscreens, walls, an increase in clearance height, or by selecting a different column design from our offering.

*Standing seam only requires a custom frame.

**The addition of ornamentation increases the clearance height by 10".
