

# Hip Roof Sunshelters

*rectangular, gable roof shelter, no eaves*  
SSH

## Design Intent

A two column gable ended rectangular shelter that is both versatile and low cost. This shelter is sized to cover a single picnic table but can also be equipped with a display case(s), display boards, tables, benches or tables with benches.

## Primary Roof

### Options:

- Tongue-and-Groove
- Structural Insulated Panels
- Multi-Rib
- Mega-Rib
- Standing Seam

## Secondary Roofing

### Options:

- Multi-Rib
- Mega-Rib
- Standing Seam
- Mega-Rib

## Standard With This Shelter:

Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

## Shelter Modifications:

Shelter can be modified by adding integrated seating, ornamentation\*\*, gutters, lightning protection, electrical cut-outs, windscreens, walls, an increase in clearance height, or by selecting a different column design from our offering.
