

Nested Crossing/Gable

nested crossing and gable shelters

CGN

Design Intent:

To combine our Crossing and Gable shelters together to make a highly visible central welcoming and gathering place. This combination also creates an ideal pass through entry point with separate vestibule(s) for picnics and events.

Standard With This Shelter:

Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

Primary Roof Options:

- Tongue-and-Groove
- Structural Insulated Panels
- Multi-Rib • Mega-Rib
- Standing Seam*

Secondary Roofing Options:

- Multi-Rib • Standing Seam
- Asphalt or Cedar Shingles
- Mega-Rib

Shelter Modifications:

Shelter can be modified by adding a cupola, railing, integrated seating, ornamentation**, gutters, lightning protection, electrical cut-outs, windscreens, walls, an increase in clearance height, or by selecting a different column design from our offering.

*Standing Seam only roof requires a custom frame.

**The addition of ornamentation will increase the building height by 10".
