

## Design intent:

Basic flat trellis that provides an interesting landscape focal point. Ideal as walkway feature or bench cover. Flat trellis can be combined with gable and/or arched trellis, or additional flat units to provide additional coverage and interest.

## Standard With This Structure:

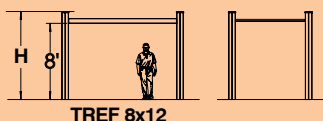

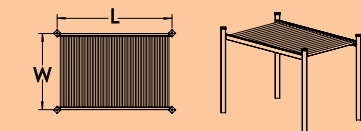

- Steel columns, frame members and roof coated with super-durable Poli-5000 powder coat finish.
- Trellis style roof

## Shelter Modifications:

Modifications include combining other TRE elements, adding railing, integrated seating, lightning protection, electrical cutouts, increasing clearance height and/or custom columns.

## Basic Trellises

TREF

Basic Trellises can be combined into various configurations and are available in multiple bays.
