

- Design intent:**
Basic gable trellis that provides an interesting landscape focal point. Ideal as walkway feature or bench cover. Gable trellis can be combined with flat and/or arched trellis or additional gable units to provide additional coverage and interest.
- Standard With This Structure:**

 - Steel columns, frame members and roof coated with super-durable Poli-5000 powder coat finish.
 - Trellis style roof

- Shelter Modifications:**
Modifications include combining other TRE elements, adding railing, integrated seating, lightning protection, electrical cutouts, increasing clearance height and / or custom columns.
