

Design Intent:

This is a two column monoslope shelter which can be extended using multiple bays. Its original use as a single bay protective covering has now expanded to many alternative uses, as the design provides an inexpensive linear shelter system.

Standard With This Shelter:

- Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

Primary Roof Options:

- Tongue-and-Groove
- Structural Insulated Panels
- Multi-Rib
- Mega-Rib

Secondary Roofing Options:

- Multi-Rib
- Standing Seam
- Mega-Rib
- Asphalt or Cedar Shingles

Standard With This Shelter:

- Steel columns and frame members coated with super-durable Poli-5000 powder coat finish.

Shelter Modifications:

Shelter can be modified by adding integrated seating, gutters, lightning protection, electrical cut-outs, windscreens, walls, an increase in clearance height, or by selecting a different column design from our offering.

Covered Walkway Cantilever

CWC

Standard Sizes

BIN	W	L	Square Feet
CWC	8'	12'	96
CWC	8'	16'	128
CWC	8'	20'	160
